Dear Parents

There have been lots of classes enjoying school trips this week, Year 5 have been out to the museum, Year 2 enjoyed a Great Fire of London Day and the annual cinema trips have begun. Thank you for your continuing support with costumes, packed lunches and help covering the costs, these trips and events enhance the learning so well and create lasting memories for the children.

Please can I request that parents do not come into school at the end of the day to collect children, it makes it very hard for teachers to ensure children are safe. If you need to collect children early, you must go to the office.
