Dear Parents

It is always strange when the children are not in uniform, especially when the clothing choice is pyjamas! The children have had great fun today, colouring in Pudsey and burning off the sugar from all those cakes, thank you to everyone who sent in cakes and gave the children money to take part in the array of activities. It has been good to see the children recognise the need for these events and understand how lucky they are!

Drop off table for children's items

You may have noticed a table in the foyer, this is for you to leave children's items if there is no one present in the office. Post-it notes are there for items to be named.
