

Colville County Primary School

Friday 20th January, 2017

Newsletter 14

Dear Parents

What an exciting week for the older children, many have been on the residential at Grafham Water Centre and the rest have enjoyed a creative week back in school. The week was finished with a visit from Great Britain Hockey Captain and Olympic Gold Medallist Kate Richardson-Walsh. Kate fascinated the children with her Olympic and Commonwealth medals, explaining how she became an athlete and her road to Gold. The children had some very interesting and well thought out questions for her as well, before the Year 6s joined Kate for a practical coaching session. Our thanks go to Sarah Richardson from the Perse School for organising Kate's visit today.

Go Orange for Muscular Dystrophy 27th January 2017

Next Friday sees the national day in recognition for Muscular Dystrophy. As we have children in school with this condition, our school council have decided it would be good to support this cause and so Friday 27th January will be a non-uniform day where children can bring in a £1 donation, with the theme of dress in orange.

Jump Avenue is coming to Colville Primary School!! - A few places still remaining on this programme

From Tuesday 10th January a NEW FREE Jump Avenue group will be running after school. This weekly programme is for families that would like additional healthy lifestyle support and advice. We provide an interactive and engaging group that is packed full of fun and learning in a supportive and friendly environment. These sessions are specially aimed at children aged 7-11 years. Each weekly session commences with a nutritional talk (set topics each week) with our qualified Nutritionist. This is followed by an age appropriate physical activity with our Physical Activity specialist. Parents/guardians would be expected to attend the sessions with the children. If you have any questions please do contact us on Tel: 0333 005 0093

Cherry Hinton Festival

VOTE for the CHERRY HINTON FESTIVAL in TESCO by asking for and using your BLUE TOKEN.

The Cherry Hinton Festival has been shortlisted in the Tesco 'Bags of Help initiative'. Tesco is using the money raised from the government 5p carrier bag charge to run a Bags of Help grant. Each month, 3 community groups and projects in a region are chosen and customers can use the blue tokens available when shopping in store to vote for one of the charities. This month the Cherry Hinton Festival has been nominated and we have the opportunity to receive up to £5000 in a grant, which would make such a difference to what we could provide in Festival week.

Please ask for and use your free token when you shop at any local Tesco to vote in the box in store. (There are also pots next to the self service tills). Voting runs until 28th January.
