Dear Parents

A busy week to end the half term!! We enjoyed a lovely assembly from Sparrow Class, some excellent acting and comedic timing, the choir enjoyed their annual visit to the O2 for the Young Voices concert and Year 3 have enjoyed using what they have learnt in their class read, Stig of the Dump, to light fires and toast some marshmallows. The children are enjoying a maths morning celebrating 100 days of school this year and I'm looking forward to the poetry performance, which is also maths themed, this afternoon.

I hope you all have a lovely half term, the children certainly seem ready for it!

## Learning Bus

The learning bus has visited our school on many occasions giving the children a different stimulating environment to learn new things and take part in a variety of activities. We would like to invite you to come on board and have a look at what the children will be learning and taking part in over the next couple of weeks. Please come and visit the learning bus straight after school on **Tuesday 21st February**. It is parked near the main entrance of the school.

## PSA news

The PSA would like to thank all families for their continued support. With the money raised at the Summer and Christmas Fairs we will be able to contribute towards new playground equipment, the Summer Disco and class trips.

We are always looking for new members to join, if you are interested you can go to the school office or talk to one of our members listed on the school website

## Late Collected children

There are an increasing number of children being collected late from school. Please remember school finishes at 3:00pm for Reception and Key Stage 1 and 3:05pm for Key Stage 2. If children are not picked up within half an hour of the end of the school day we will contact Social Services. Also if parents are consistently late to collect their children a referral to Social Services will be made. If you are experiencing problems with pick up times please contact me and we will endeavour to help.
