Newsletter 16

Dear Parents

A number of classes have enjoyed school trips this week, it is so good to hear how much they gain from these outings. The Year 5s were full of information after their trip to the Water Treatment Works and Year 1 had a great time at the Scott Polar Museum yesterday. We also enjoyed two wonderful assemblies from Wagtail and Heron classes, good to see the singing and acting still a strength in school.

Late Collected children

There are an increasing number of children being collected late from school. Please remember school finishes at 3:00pm for Reception and Key Stage 1 and 3:05pm for Key Stage 2. If children are not picked up within half an hour of the end of the school day we will contact Social Services. Also if parents are consistently late to collect their children a referral to Social Services will be made. If you are experiencing problems with pick up times please contact me and we will endeavour to help.

ARU – Research project

We have been fortunate enough to be approached by Anglia Ruskin University to help out with research into the development of vision and depth perception in children. This will involve most of the children in school taking part in a series of games and activities to see how their sight has developed. There is talk of stickers and class prizes for those that take part! Please look out for a letter coming home in the near future for more information and a permission slip.

Pupil Premium money

Please don't forget that you need to use any money left on your card by the end of the Spring term, it is not possible to use this scheme in the summer term.

School Uniform information

Due to the increased costs and amount of uniform being ordered, we are now requesting that all uniform is paid for when ordered. Thank you for your help with this.

Due to price increases from our suppliers we have, unfortunately, no choice but to increase some prices on several items of uniform. The uniform price list/order forms are available in the school office.
