Dear Parents

It has been a busy couple of weeks, we really enjoyed having the Learning Bus in school for two weeks, the children always like to get out of the classroom for some different types of learning. World Book Day was a quiet event, but the children took time to wander around and study the wide range of different books that everyone created bunting about.

Woodpecker class gave us a wonderful assembly last Thursday, a good range of different skills and talents on show, the children demonstrated some great acting skills, including very loud and clear voices.

It has been a particularly sporty few weeks, I think I have been in my tracksuit most days recently and my step count has certainly improved thanks to all the training sessions for cross country, rugby and hockey tournaments. Last week saw us take part, for the first time, in the county finals of the Year 3 and 4 Cross Country tournament. This proved a significant step up from our local competition, but it was a great learning experience for the children who attended. Yesterday, we had two Year 5 teams competing in the School Sports Partnership hockey tournament. Both teams being placed a respectable fourth in their leagues, scoring some excellent goals and showing great determination in their play. Today I'm off with the Year 6s to Shelford for a rugby tournament!

Dinner Money

We are approaching the end of our financial year and so I would like to ask all parents to ensure they have cleared any outstanding debts for dinner money before the end of term. This will be a great help to us in school with completing our end of year duties.
